## Short & medium range business jets

### Cessna CitationJet CJ3

#### Light size cabin aircraft

The last-born in the Citation Jet family optimizes the heritage transmitted to it by its predecessors and offers you the performance of the latest generation of light jets. A spacious cabin that is longer, a cargo bay offering increased volume, a greater range and the capability of landing on short runways inaccessible for commercial aircraft enable it to meet the expectations of the most demanding and the most hurried travelers.
