Medium range business jets on demand charter flights

This fast and silent business jet is particularly well suited for trips in Europe and around the Mediterranean basin. It associates excellent performance and an interior layout thought out for business travelers. On board, you can meet with team members or guests. You are not in your office, nevertheless, you can converse with your contacts, study a contract, or lead a negotiation whilst enjoying a level of confidentiality that no first class air travel could offer. And you arrive as close as possible to your final destination, at the time imposed by your schedule. You can make a trip from Paris to Vigo then Valencia in the same day, or else Caen to Budapest.
